This policy is reviewed and updated annually to ensure that food and drink in the examination room at Shenley Brook End School is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

Purpose of the policy

This policy confirms that Shenley Brook End School reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Shenley Brook End School:

Only water in a clear bottle (with label remove) is allowed in the exam venue.

For exceptional circumstances (e.g medical reasons) other sustenance will be allowed in line with JCQ regulations.

Additional centre-specific arrangements:

Only candidates with a medical need can bring food into the venue. This is handed to the EO or invigilator to keep on the Admin desk until the candidate requires it.

2. Roles and responsibilities
