

Dear Parents and Carers,

Last week was Connective Learning Project Week in school, we invited a wide range of employers and organisations into our school to immerse students from years 7-10 in projects that connect to the world beyond our classrooms. The feedback from our visitors, staff and students has been overwhelmingly positive. Events included a Careers Fayre, Box House Theatre workshops and visits to Campbell Park. Attached to this email is our CLP Newsletter.

### Hot weather

Hot days have been designated for the whole of next week. Students can come into school in their SBE PE Kit and trainers they would normally wear for PE. Students are also permitted to wear a white polo shirt next week with their PE Kit if they choose to. Students can still choose to wear their normal school uniform. Items that are not part of the PE Kit are not to be worn on hot days, such as football shirts, Nike pro shorts, converse, or hoodies. Sixth Form students are also able to wear shorts to school if they choose to.
